DATE: May 25, 2016

TO: Chairman and Members, Northern Nevada Water Planning Commission (“NNWPC”)

FROM: Chris Wessel, Water Management Planner
Jim Smitherman, NNWPC Water Resources Program Manager

SUBJECT: Presentation of comments received on the “Water Resources” chapter for the 2016 Regional Water Management Plan (“RWMP”) update; discussion and possible direction to staff.

SUMMARY

Since the last presentation of Chapter 2 to the NNWPC at the May 4, 2016 meeting, staff has incorporated updates from the Truckee Meadows Water Authority (“TMWA”) 2015 Water Resource Plan as well as review comments received primarily from TMWA. This version of the Chapter 2 has no redlined edits as all comments to date have been incorporated; however, the chapter does include the proposed figures and tables which were not available for the last review session. Note that text highlighted in yellow is for staff purposes. Staff is requesting any additional comments for this chapter from the Commission.

RECOMMENDATION

Staff recommends that the NNWPC accept the report on review comments and proposed revisions to the “Water Resources” chapter for the 2016 RWMP update, and, if acceptable, approve the changes and provide direction to staff as appropriate.
